Brand USA has selected Brandmasters America as its German-market representatives to help promote travel to the United States through tourism marketing, advertising and promotion in international markets. Brandmasters America will represent Brand USA in Germany, Switzerland and Austria, which are three key markets for U.S. inbound travel.

Brand USA is a public-private marketing partnership in the United States, which was created with the passing of the Travel Promotion Act on March 4, 2010. On Jan. 19, 2012, President Obama signed an executive order reinforcing his commitment to promote the United States as an international travel destination with a goal of supporting the U.S. economy and jobs creation.

Brandmasters America is an independent, separately run company established as a consortium entity by the following German-based representation companies:

- MSi Marketing Services International GmbH, based in Neu Isenburg and owned by Martin Walter;
- WTS, Wiechmann Tourism Service GmbH, based in Frankfurt and owned by Rita Hille and Deborah Theis
- TMR, TravelMarketing Romberg TMR GmbH, based in Mettmann, owned by Gabi Romberg
- GIA, Get It Across Marketing & PR, based in Cologne, owned by Albert Jennings

The headquarters of Brandmasters America will be in Neu Isenburg. Martin Walter will serve as Managing Director of Brandmasters America. A corporate job search will be initiated to fill the needed marketing and public relations positions. The five involved principals of the agencies will be overseeing specific responsibilities within the contract mandate for Brand USA.

"We – the partners of Brandmasters America - are thrilled and proud to have been selected by Brand USA as its German market representative. As independent agency owners, we have worked closely with each other for many years in organizing successful marketing and PR campaigns for our clients. We all have extremely strong professional and private affinity for the United States, and by joining forces we can quickly engage the tourism industry in the German market to execute effective programs on behalf of Brand USA," stated Martin Walter on behalf of Brandmasters America and the involved partners.

Brand USA will be hosting a Block Party at the Discover America Pavilion at ITB (Hall 2.1) on Wednesday, March 7th from 5:30 – 7:30pm. Representatives from Brand USA and Brandmasters America will be available during ITB at the Brand USA booth in Hall 2.1.
