Brand USA

REQUEST FOR PROPOSAL

CONTENT CREATION

APRIL 7, 2017

INTRODUCTION

Brand USA is a public-private not for profit organization created by the Travel Promotion Act of 2009. The mission of Brand USA is to generate increased international visitation to the United States and to grow its share of the global travel market. Brand USA will accomplish this via marketing campaigns and programs and partnerships with the travel industry. The incremental increase in international visitation will generate billions of dollars of revenue, which will in turn create new American jobs.

While the United States welcomed 60 million visitors in 2010, its share of the international travel market has decreased significantly over the past decade. The U.S. share of long haul international travel fell from 17.2 percent in 2000 to 12.4% percent in 2010. Brand USA, the U.S.'s National Tourism Marketing Organization will reinvigorate the nation's image and recapture its share of the market.

Brand USA delivers a dynamic marketing program that includes, but is not limited to, a global advertising campaign, earned media and public relations strategies, a robust social media outreach plan, promotional and incentive campaigns, trade shows and sales missions, and educational campaigns about U.S. entry policies. Brand USA carefully selected its marketing tools and target audience after vigorous analysis of existing and original market research.

Brand USA is governed by an 11-member Board of Directors. Each director is appointed by the U.S. Secretary of Commerce. Each director represents a sector of the travel and tourism industry as identified by the Travel Promotion Act. The executive leadership team possesses strong expertise and experience in the travel, tourism, and advertising industries.

Brand USA is committed to including diverse firms as an important part of its sourcing and procurement activities. In furtherance and support of this goal, we encourage minority, women and locally-owned firms to pursue business opportunities with us. Minority and women-owned firms who otherwise meet the minimum requirements set forth in this Request for Proposal are encouraged to submit a Notice of Intent to Bid. In addition, Brand USA also seeks to do business with firms that also recognize the value of diversity and inclusion in the composition of their workforce and in their own contracting, subcontracting or teaming activities. We encourage such firms who meet the minimum bidding requirements (regardless of size or ownership) to also submit a Notice of Intent to Bid. Brand USA reserves the right to give weight or allocate bidding credit to diverse firms or those with a demonstrated commitment to inclusion as part of its evaluation process.

WHY DOES A COUNTRY AS POPULAR AS THE USA NEED A MARKETING PROGRAM?

Although the United States remains one of the world's most popular travel destinations, during the first decade of this century, while the global travel market was booming, the USA's share of international travelers declined 37 percent—from 17.2 percent in 2000 to 12.4 percent in 2010. The resulting impact on the U.S. economy was an annual loss of 467,000 jobs and \$606 billion in lost revenue. In addition to being seen as unwelcoming (resulting from increased security measures that came following 9/11) and too familiar, the United States was also one of the world's only industrialized nations without a national tourism board to attract international travelers to its shores in order to fuel the nation's economy by inspiring the world to visit the U.S.A.—to see it again, or for the first time.

With the strength of a national marketing effort from Brand USA now in place, the United States is working to regain its share of the global travel market. By welcoming more international visitors to the USA, Brand USA is supporting U.S. economic growth, helping to spur job creation, and creating a more positive impression of the United States around the world.

WHY IS INTERNATIONAL VISITATION SO IMPORTANT TO THE NATION'S ECONOMY?

International visitation helps local communities.

On average, overseas visitors spend nearly \$4,500 per trip and generate tax revenue in communities across America without burdening local services, such as public schools and fire departments. When international travelers spend this kind of money in our communities, it lessens the tax burden on U.S. citizens.

International visitation supports American jobs and economic growth.

When international visitors come to the U.S.A., the money they spend directly supports more than 1 million American jobs and added \$181 billion to the U.S. economy. (Source: US Travel Association and NTTDO 2013 Data)

International visitation enhances the image of the United States worldwide.

Surveys show that international visitors to the United States are 74 percent more likely to have a favorable view of America and 61 percent more likely to support U.S. policies.

Who Pays for It?

International visitors and private contributions fund the work of Brand USA—with half of Brand USA's budget generated by contributions from the private sector and matching funds provided by a \$10 fee paid by travelers from

markets that are not required to have a visa to enter the United States. These markets are designated as visa-waiver countries. As a result, U.S. taxpayers contribute \$0 toward Brand USA's marketing efforts.

BRAND USA IS BUILDING ON SUCCESS

Brand USA is delivering on a dynamic marketing strategy that includes, but is not limited to, a global advertising campaign, earned media and public relations strategies, a robust social media outreach plan, promotional and incentive campaigns, trade shows and sales missions, and educational campaigns about U.S. entry policies. Brand USA carefully selects its marketing tools and target markets and travelers after vigorous analysis of existing and original market research.

In 2013, we were fully deployed (consumer, co-op, and trade marketing) in eight markets (Australia, Brazil, Canada, Germany, Mexico, Japan, South Korea, and the United Kingdom)—and delivered a 47:1 return on marketing investment, 1.1 million incremental visitors, \$3.4 billion in direct travel spending, and \$7.4 billion total spending—which supported 53,000 new jobs. In 2014, Brand USA expanded the consumer campaign to China and Taiwan, and in 2015 will be fully deployed in 14 international markets (Australia, Brazil, Canada, Chile, China, France, Germany, India, Japan, South Korea, Mexico, New Zealand, Taiwan, and the United Kingdom). Every 1 percent increase in travel from these markets fuels the nation's economy by generating 500,000 additional visitors and \$1 billion in international visitor spend a year.
